

Feedback is essential teaching & learning. It helps the teacher to understand how the subject can be taught for better understanding of students. This is an important process where teacher can improve his/her teaching skill or process that will ultimately benefit the student. The feedback from different stakeholder, help the institute to understand the need of society and what other stakeholder expect from the institute. With this objective college has developed following feedback systems and all feedbacks are evaluated on analogue scale from 5 to 1 i.e. from excellent, very good, good, fair and poor. These feedbacks are collected from stakeholders by IQAC and analyzed. After analysis a comprehensive reports are generated and will be informed to concern teaching staff/ Department head/examination in-charge for their improvement.
