

IIRW'S
**INTERNATIONAL CENTRE OF EXCELLENCE
IN ENGINEERING AND MANAGEMENT**

DTE CODE : 2516

2.2.1 The institution assesses the learning levels of the students, after admission and organizes special programs for advanced learners and slow learners

Following activities are regularly conducted to enhance learning abilities of advanced learners and slow learners

Title of activity	Nature of activity	Remarks
Entry level merit List Analysis	From the entry level merit list analysis, subject wise marks are observed & weak points of students are identified	Merit lists are obtained from DTE & correlated with mark sheets
Induction/orientation Program	At the start of every academic year Induction programs are organized by the Institute. Based on simple tricky questionnaires & general quiz competitions, slow & advanced learners are identified	The faculty members involved in the Program makes the analysis of program which plays important role in deciding slow & advanced learners
Motivational & Remedial Coaching	It is given to students who identified as slow learners through different tests & interactions sessions	Through the course work is as prescribed by Dr. BAMU.
Assignments and tutorials	Given to both slow and fast learners	Contains important questions that could improve their logical thinking and reasoning.
Technical Events/ Workshops/Conferences	Organized for both slow and fast learners	To keep them updated with the current trends in engineering research.
Communication skills	Activity for slow and fast learners.	For improving communication skills of students.
Departmental library	Issuing of book to the students for one month (one book per student per month).	Facility provided other than central library.
Aptitude & Mental ability Tests	Assessment test for both slow and fast learners.	To test the ability to recall and apply information with major focus on critical reasoning.
Competitive exams such as GATE/GRE/Aptitude coaching	College organizes regular coaching for competitive exams such as GATE/GRE/Aptitude, etc.	To prepare the students for global sustainability
Use of LMS & e-resources	Faculty members are regularly using the LMA such as My-Examo, ERP & e-resources such as NPTEL videos, PPTs, Webinars etc.	Improves the visualization & perception
Mentoring (TGS)	Each student is allotted a respective mentor	Mentor keeps a watch on progress of the student and gives time to time guidance to improve the performance

Date: 14/08/2018

Minutes of Meeting

Induction program was organized at 10:30 am in MBA seminar hall for S.E. E&TC students.

Following points were discussed in the meeting.

1. Preamble of the function was delivered by Prof. H. L. Jadhav.
2. Departmental regular and extracurricular activities of earlier years of E&TC department were presented by Prof. Rohit Paithane.
3. Overview of syllabus of S.E. E&TC was given by Prof. R. P. Deshmukh.
4. Detail subject syllabus were discussed by respective subject teachers

Subjects: 1) EDC& Electronics W/S – Prof. H. L. Jadhav.

2) NA – Prof. S. D. Sheldarkar.

3) M4- Prof. Kiran Shinde.

4) ACE – Prof. S. S. Shinde.

5) DS – Prof. Vinay Somwanshi.

5. College rules and discipline was explained by Prof. Ansar Ahmed.

6. Class test rules and schedules were explained by Prof. S. S. Shinde.

7. Final exam pattern was explained by Prof. Ansar Ahmed.

Prof. H.L. Jadhav

Report on Induction Program

1. Title of Activity: Induction Program

2. Date and Venue: 14 August 2018, E&TC seminar hall, ICEEM ,Aurangabad.

3. Description of activity;

The aim of the program was to give the students who are joining the college a bird's eye view about various dimensions of engineering and the career opportunities for the engineering students and to acquaint them with the systems and procedures of the college, as also to give them an idea about anti ragging laws. The idea of such a programme came from the thought that one of the reasons for the disorientation of engineering students is sheer ignorance about their opportunities and the direction they have to move so as to become successful as an engineering. In the absence of such a structured program, the students could be (miss)guided by the (sometimes) casual approach of their seniors towards studies, and most often by the deliberate miss-information given by the seniors about the course and the approach to studies. The program aimed to give a proper orientation to the new students about the course, about engineering and about the future prospects as well as the methodology of learning to be adopted to be successful in life. The speakers included a mix of internal and external resources.

Following points were discussed in the program.

1. Preamble of the function was delivered by Prof. H. L. Jadhav.
2. Departmental regular and extracurricular activities of earlier years of E&TC department were presented by Prof. Rohit Paithane.
3. Overview of syllabus of S.E. E&TC was given by Prof. R. P. Deshmukh.
4. Detail subject syllabus were discussed by respective subject teachers

Subjects: 1) EDC& Electronics W/S – Prof. H. L. Jadhav.

2) NA – Prof. S. D. Sheldarkar.

3) M4- Prof. Kiran Shinde.

4) ACE – Prof. S. S. Shinde.

5) DS – Prof. Vinay Somwanshi.

5. College rules and discipline was explained by Prof. Ansar Ahmed.
6. Class test rules and schedules were explained by Prof. S. S. Shinde.
7. Final exam pattern was explained by Prof. Ansar Ahmed.
8. Internal Assessment Mechanism was discussed with the students.
