NOTICE

All the **students & faculty** members of **E&TC & CSE** department are here by informed that department of E&TC and CSE and The Institution of Engineers India, Aurangabad L.C. are jointly organizing "five days Boot camp on IOT", on **11th to 15th Jan 2022** from 10:00am to 5:00pm.

It's a great opportunity for all the students & faculty members to get acquainted with technology today. **Attendance of all students is compulsory & will be monitored.**
The workshop details are as follows:

Date of Inauguration: 11th Jan 2022, 10am.

Duration: Five days

Time: 10:00am to 5:00pm

Venue: Computer Center, ICEEM Campus

HOD, E&TC

HOD, CSE

Director, ICEEM

"Banner Boot camp on IOT"

International Center of Excellence in Engineering and Management (ICEEM), Aurangabad
Department of E&TC / EEE and CSE

Jointly organizes, Five days

"Boot Camp on Internet of Things (IoT)"

On 11th 12th 13th 14th & 15th Jan. 2022

Resource Persons

Eng. R. K. Paithane, Enthutech Pvt. Ltd. Aurangabad
Eng. Kajal Rajvaidya, KITS, Aurangabad / Pune

Patrons

Chairman
Dr. Subhash Jhavar

Secretary
Shree. Dilip Sarda

Trustee
Shree. Ramakant Pulkundwar

Coordinators:

Prof. Vrushali Tapade (HOD CSE) and Prof. H. L. Jadhav (HOD E&TC & Vice Principal)

Registration is Free but essential, to register click on link given below

<https://forms.gle/NaFaFQbwuh5mbFG1A>

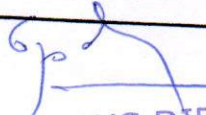

Course Contents:

1. Introduction to Microcontrollers & Its Basic
2. Arduino Board details, Coding, Interfacing & Hands-on
3. Node MCU ESP8266 Wi-Fi module details, Coding, Interfacing, Hands-on
4. Introduction to Raspberry Pi Module & Interfacing of sensors

Conveners

Mr. Sudhir L. Sambrey
DECPL, CEO-LUANS Electronics

Subject :- Invitation as a Chief Guest for the inaugural function of "Boot Camp on IOT".

Respected Sir,

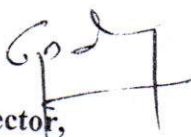

It gives us an immense pleasure to inform you that ICEEM is going to organize a 5 days hands on workshop "Boot camp on Internet of Things (IoT)" on 11th, 12th, 13th, 14th & 15th Jan. 2022, for the students of E&TC & CSE departments. The Boot camp is being organized with the objectives to provide knowledge, promote startups and to develop interest in students & teachers about the subject.

It is our great privilege and honor to invite you as a Chief Guest for the inaugural function of the Boot camp on 11th Jan. 2022. The details of venue & timings are given below. For your ready reference the brochure of this event is enclosed herewith.

Your precious presence and guidance will motivate our students & faculty Members.

Thanking You.

Yours Sincerely,

Director,
ICEEM, Aurangabad.

Respected Sir,

We, on behalf of International Centre of Excellence in Engineering and Management, would like to thank you for giving us your precious time to share your valuable knowledge and experience to the delegates and our Faculty members.

We admire that you have sacrificed your valuable time and shared your knowledge with our participants; it was a source of inspiration for us.

We wish the same kind of cooperation in future.

Thanking you,

Yours Sincerely,

Director,

Subject: Invitation as a resource person.

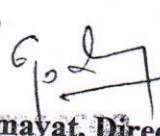

Dear Sir,

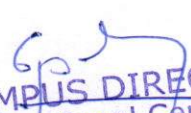

It is a great pleasure to invite you as a resource person in our institute ICEEM. ICEEM is one of the leading educational institutes in Aurangabad providing quality education in Engineering and Management. We are a professionally managed organization under the able leadership of our Founder Chairman Shri. Bhujangrao Kulkarni (Retd. IAS Officer).

As a part of our co-curricular activities, we are planning to organize a 5days' workshop on "Internet of Things (IoT)" for the final year students of Electronics & Telecommunication engineering and computer science & engineering. Kindly accept our invitation and guide the students by sharing your expertise. We request you to give us suitable dates (4 days, probably in the next week) so that all the necessary arrangements can be made.

Thanking you and looking forward for your favorable response.

With Regards,

Dr. C. S. Padmayat, Director, ICEEM

The five days "Boot Camp on IOT" was organized by Department of E&TC, Department of CSE and IEI, Aurangabad (CH) on 11th to 15th Jan 2022.

The workshop was organized with the objective to give introduction and use of IOT to the participants and to create interest in the subject, start doing projects, to get innovative ideas regarding subject, use of IOT and future scope of IOT.

The Internet of Things (IoT) is a system of interrelated computing devices, mechanical and digital machines, objects, animals or people that are provided with unique identifiers (UIDs) and the ability to transfer data over a network without requiring human-to-human or human-to-computer interaction.

★ Context of the Workshop:

Day 1st:-

Inaugural function:-

The workshop started with a welcome address & preamble by H.L Jadhav (HOD E&TC, Vice Principal). He briefly introduced the mission, vision of the institute, theme of the workshop and activities of Electronics & Telecommunication engineering department.

Dr. C.S. Padmavat, Director, ICEEM emphasized on the present status of technology and stressed on the focused research in this direction and also urged the participants to find the solutions at the grass root level. Prof. H. L. Jadhav (HOD, ETC, ICEEM) and Prof. V. Tapade (HOD, CSE, ICEEM), organizing heads of the event motivated students by giving the future scope of IOT and present market needs of this technology.

Miss Kajal Rajvaidya started the first session with the introduction to IOT, software and Hardware to be used and explained the installation steps. She discussed about several applications of the software and state emphasis on more and more usage of IOT for real time applications. She also compared other technologies with IOT and explained how it is better to use. She introduced several IOT platforms where student can display data, store data etc.

In second session Prof. R. K Paithane (Assistant Professor, ICEEM, Aurangabad) gave students information about installation of software's required for workshop.

Day 2nd:-

Prof. R. K. Paithane started the first session with the installing process of IOT software, use of hardware, connecting it with sensors and internet. He carried the hands on session which all the delegates practiced with enthusiasm.

In the second session, sensors were connected to the hardware (Microcontroller - Node MCU Wi-Fi module ESP8266) and data was sent on IOT. A mobile app was created and data was transmitted on that app using internet. Delegates enjoyed the session and did all practicals with full energy and enthusiasm. In third session introduction to raspberry pi (Microcontroller) was given by Prof. R.K. Paithane and practical's were carried by him on Raspberry pi microcontroller. Finally he concluded the session by giving explanation about present, future scope of IOT and regarding placements in the IOT sector.

CAMPUS DIRECTOR

Excellence In Engg. & MGMT.
Aurangabad

Day 3rd:

Prof. R. K. Paithane takes session on Thing speak practical. It contains sending data from Nodemcu to Thing speak, Creation of Thing speak account, Data interchange about temperature and humidity using ESP8266 Wi-Fi module

Day 4th

Prof. R. K. Paithane started the first session with Blynk practical using Blynk software interfaced with projects like turning on/off lights remotely. Second session contains the practical on Sensors: Moisture sensor, Led sensor, ultrasonic sensor, IR sensor

Day 5th:

Miss Kajal Rajvaidya started the first session with Embedded System and IOT, difference between both. Introduction of universal system, data and its types. Analog and digital system with examples. Arduino code writing format understand. In second session industrial visit was organized to understand actual working.

Valedictory function: -

Mr. Sandip Deshpande sir was the Chief Guest for the valedictory function. of the Boot camp on 15th Jan. 2022. Feedbacks were taken from the delegates. Prof. H. L. Jadhav (HOD, ETC, ICEEM) and Prof. V. Tapade (HOD, CSE, ICEEM), Aurangabad shared their opinion regarding the workshop and appreciated the organizing team. They extended his gratitude to the resource person, Miss Kajal Rajvaidya and Prof. R. K. Paithane for their contribution to the workshop and their splendid efforts. Certificates were distributed to the participants by the hands of **Chief Guest Mr. Sandip Deshpande sir**.

Recommendations

The presentation of various topics and the subsequent extensive discussions held including the brainstorming session had culminated in the following recommendations:

- By using IOT, students can make mini and micro projects for their home automation or any application.
 - Using IOT things will get smarter and easy to use.
 - Students must be encouraged to use IOT to do research for future scope of IOT as the technology is still growing and has endless boundaries.
- Dates of conduct of the program: 11th & 15th January 2022
- Total Number of participants: 37

Pune.

Subject: - Invitation as a resource person for workshop on "Innovations, Patenting, Trademark & Copyright"

Respected Sir,

It gives us an immense pleasure to inform you that ICEEM is going to organize a 1 day workshop on "Innovations, Patenting, Trademark & Copyright" on 20th Jan. 2022, for the students and faculty members. The Workshop is being organized with the objectives to provide knowledge, promote startups, research and to develop interest in students & teachers about the subject.

It is our great privilege and honor to invite you as a resource person for workshop on "Innovations, Patenting, Trademark & Copyright". on 20th Jan. 2022. The details of venue & timings are given below. For your ready reference the brochure of this event is enclosed herewith.

Your precious presence and guidance will motivate our students & faulty Members.

Thanking You.

Yours Sincerely,

Director,
ICEEM, Aurangabad.

Sub: Letter of Thanks.

Respected Sir,

We, on behalf of International Centre of Excellence in Engineering and Management, would like to thank you for giving us your precious time to share your valuable knowledge and experience to the delegates and our Faculty members.

We admire that you have sacrificed your valuable time and shared your knowledge with our participants; it was a source of inspiration for us.

We wish the same kind of cooperation in future.

Thanking you,

Yours Sincerely,

Director,
ICEEM, Aurangabad.

Subject: Invitation as a resource person.

Dear Sir,

It is a great pleasure to invite you as a resource person in our institute ICEEM. ICEEM is one of the leading educational institutes in Aurangabad providing quality education in Engineering and Management. Ours is a professionally managed organization under the able leadership of our Founder Chairman Shri. Bhujangrao Kulkarni (Retd. IAS Officer).

As a part of our co-curricular activities, we are planning to organize a 01 days workshop on “**Research Methodology**” for the First year students of **MBA**. Kindly accept our invitation and guide the students by sharing your expertise. We request you to give us suitable dates (01 day, probably in the next week) so that all the necessary arrangements can be made.

Thanking you and looking forward for your favorable response.

With Regards,
