**Subject: Short summary report on the activity conducted by training and placement cell on topic 'Webinar on Machine Learning.'**

**Date of activity: 11-10-2018**

**Summary:**

We have conducted a webinar on secrets of body language on 11<sup>th</sup> October 2018. This activity was done in collaboration with EDU CBA. The activity was done for enhancing technical skills on specifically about machine learning. The students had very beneficial inputs from educba. Prof. K. V. Shingi was coordinator for this activity. Around 20 students from all depts. attended this webinar at our smart class and 20 more attended through their mobile phones.

We are thankful to you and management for allowing us to conduct this activity.

The attendance and photos are attached herewith the report.

Thank You

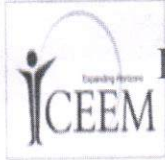

Prof. Y. M. Khan

Date: 24/09/2019

To,  
Director,  
ICEEM, Aurangabad

**Subject:** Short summary report on the activity conducted by training and placement cell on topic  
'Introduction to ETAP Software.

**Date of Activity:** 21/09/2019

**Summary:**

**Introduction:** Electrical Transient and Analysis Program (ETAP) is a worldwide accepted software based Electrical System Design and Analysis tool. It is being used by Design Engineers, Consultants, Industry, DISCOM, and Electrical Engineers to successfully and cost-effectively conduct power system monitoring and predictive simulations, using their original ETAP design model and combining it with real-time data. It offers an integrated and interactive software solution for modeling, design, analysis, simulation, operation, control, optimization and automation of electrical power systems

**Objective:** The objective of the seminar was to give introduction of ETAP software for technical Enhancement to the under graduate and post graduate students so that students can handle this software.

**Duration:** The duration of this ~~seminar~~ is 3 hours.

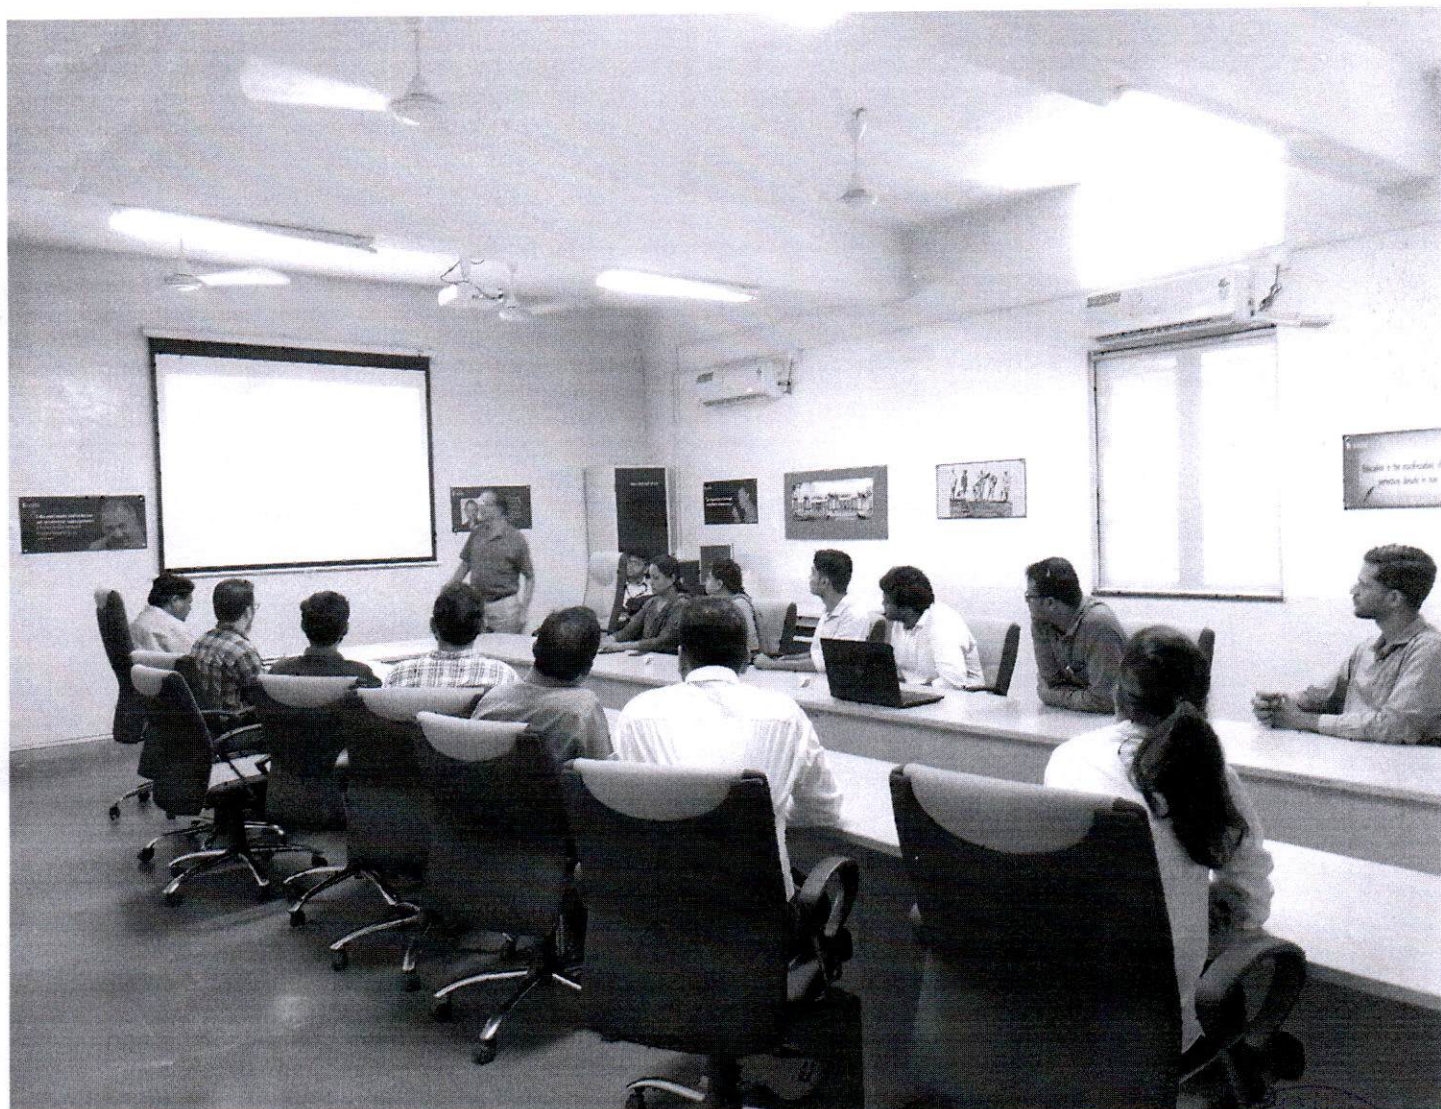

**Summary & conclusion:** Students ~~are~~ were introduced to the ETAP software and it's UI. The basic of software were explained by the trainer. The activity was done in collaboration with BMC electroplate and Mr. Girish Magre

Activity In charge: Prof. Y. M. Khan

ICEEM, Aurangabad.

**Subject :** Short summary report on the activity conducted by C.S.E. Dept. on topic ' ICT/Computing Skill'.  
Of time management

**Date of Activity:** 04/08/2020 to 10/08/2020

**Summary:**

**Objective:** Information and Communication Technology (ICT) skills are the ability to use ICT tools to Communicate, create, store, manage, and disseminate information. ICT skills can help people Stay connected with family and friends, run businesses, and stay updated with the latest Software and applications.

**Duration:** The duration of this course was 1 Week..

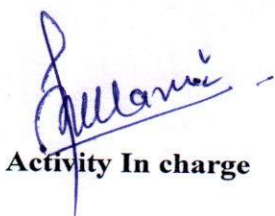

**Summary & conclusion:** The course was arranged for faculties and Students of ICEEM. We did this activity under CSE Dept of Iceem Engg. College By Prof.R.R Deshmukh who is a well known trainer of 'ICT/Computing Skill' Course was indeed helpful for all of us. Afterwards an online assessment was conducted. After assessment scores of individual was shared with them personally was covered various aspects of their Computing skill. This will help our students to develop project. All faculty and student learn this course simultaneously.

Around 150 Participants were present for this course.

We are thankful to you and management for allowing us to conduct this activity.

The attendance and photos are attached herewith the report.

Thank You

### THANK-YOU LETTER

To,

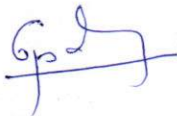

Prof. Prof R.R. Deshmukh  
Aurangabad

Dear sir

Thank you for the time, talent, and expertise you have given to the Work-Based Learning Program at **ICEEM**, through your active participation on ICT/Computing Skill. You have made a difference through your dedication and continued support of our students and program. Your ideas, input, and enthusiasm were most helpful and have assisted us in making valuable improvements to our program.

Again, I thank you for your contributions, time, and efforts through serving on this committee.

Sincerely,

## Objective:

Main objective of the workshop is to give hand on experience to faculties and students on wordepress and canva for website development and digital

## Lecture Summary:

International Centre of Excellence in Engineering and Management, arranged One Day Hands on Training Workshop on the occasion of Engineers Day on 15<sup>th</sup> September 2022 for students and faculties. This training was conducted by Prof. Meghna Joshi.

She explained current scenario about digital content creation job opportunities through it. She explained the working of Wordpress for design own website and its benefits. The basics of wordpress were elaborated by her. Afterwards a hand on training session was conducted where participants created their websites using wordpress.

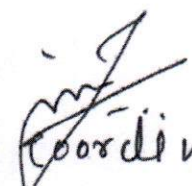

She also explained the working of canva for designing digital contents such as PPT, e brochures, reels etc. Afterwards a hand on training session was conducted where participants designed their digital content using CANVA.

She encouraged participants to use these two platforms for developing own content. The talk was very timely and well appreciated by the audience.

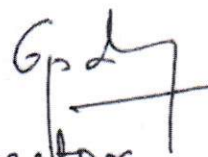

## Session Content:

- Introduction to Wordpress and Canva
- Importance of digital contents.
- Direct and Indirect Benefits
- Hands on experience of both the platforms.

## Letter of Thanks

To,

Mr. Gopal Gawande  
Sr. Consultant (TCS)

Dear Sir,

Thank you for the time, talent, and expertise you have given to the students of our CSE dept at ICEEM College. You have made a difference through your knowledge and guidance. Your ideas, input, and enthusiasm were most helpful and have assisted us in making valuable improvements to our program.

Again, I thank you for your time, and efforts .

Sincerely,

### Report on

### Introduction session on Block Chain

**Report on Introduction session on Block Chain**

On March 14, 2023, the International Centre of Excellence in Engineering and Management College will host a one-day Introduction session on block chain.

The programme began at 10:00 a.m., with Prof. Y.M. Khan opening the programme and extending a hearty greeting to all employees and students, as well as the honourable guest.

Following that, director Dr. R.S. Jahagirdar provides basic facts regarding block chain and emphasises the need of blockchain immersion.

After that Honorable chief guest Mr. Aravind Voruganti, vice precedent IDS, and Mr. Sunil Subhramanyan Yadavalli, business head of IDS, both honourable guests, provide significant information on block chain.

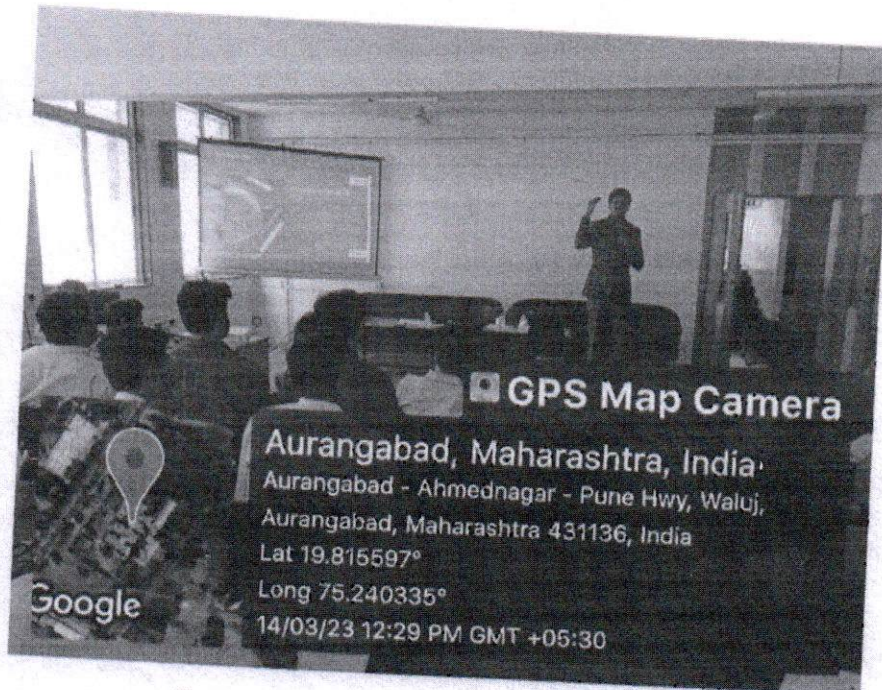

The occasion was attended by Trustee Ramakant Pulkundwar, Campus Director Hon. Dr. C. S. Padmavat, Vice Principal Prof. H. L. Jadhav, Dr. S.A. Patil from EEE dept, Strategic Director Dr. Shaha and all faculty members and students were present.

The event ended with votes of thanks given by Prof.Y. M.Khan.
