# Chairman's Message

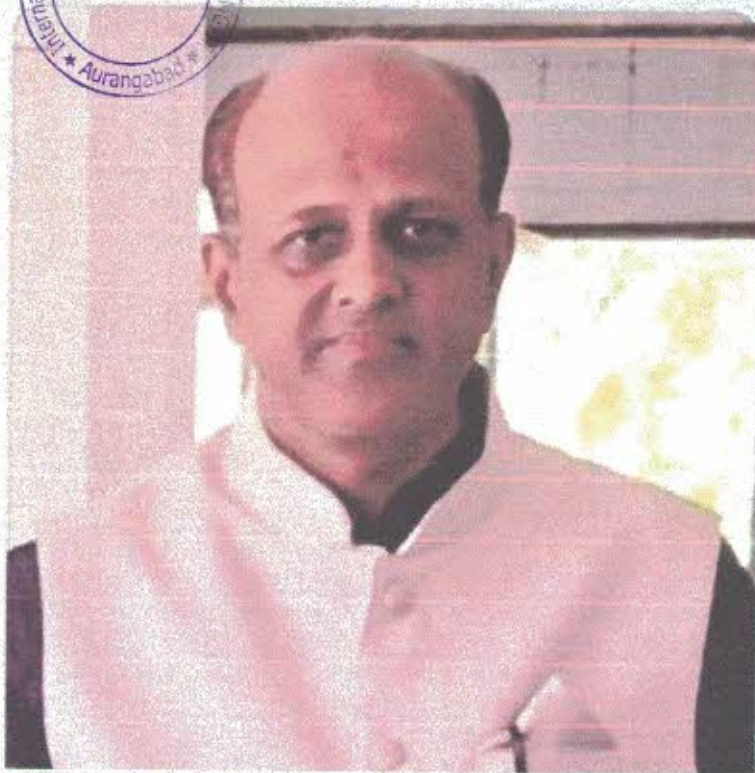

**Dr. Subhash Jhavar**

  
CAMPUS DIRECTOR  
International Centre of  
Excellence In Engg. & MGMT.  
Aurangabad

It is my pleasure to welcome you to International Centre of Excellence in Engineering & Management [ICEEM]. Our main aim is to create, nurture and shape technical and management professionals with skills to face the ever-changing social, economical, and technical landscape of our country. We provide high-end undergraduate and Post Graduate education as well as research opportunities in new frontiers of Engineering, Technology, and Management. The evolution of the institute over the past few years has witnessed a strong blend of state-of-the-art infrastructure and intricately intertwined human resources committed to providing professional education with a thrust on creativity and innovation. The motivating environment in ICEEM for knowledge assimilation, generation, and dissemination with a sense of social responsibility, human values, and concern for social commitment has carved a niche for itself among the best technical institutes in the Marathwada Region of Maharashtra.

# Campus Director's Message

**Dr.C.S Padmavat**

  
CAMPUS DIRECTOR  
International Centre of  
Excellence In Engg. & MGMT.  
Aurangabad

**Dear Students,**

ICEEM has proactively initiated steps to transform teaching-learning process and to make learning a joyful experience for students. At ICEEM, we firmly believe in modern and innovative practices and within a short span we were able to design and implement the robust academic systems to raise the bar of academic standards with the active involvement and cooperation from students, academic and administrative units. Faculty, technical and administrative staff of ICEEM deserves special appreciation for their relentless efforts to give a joyful learning experience to students. Our efforts are always in the direction to develop overall personality of students and to make them competent technical manpower for employment and self-employment. We look forward to a joyful learning experience for students and expect that ICEEM should be the first Choice for both students who value learning as an experience and also for the faculty who have a passion to create a great learning environment. By three methods we may learn wisdom: first by reflection, which is noblest; second by imitation, which is easiest; and third by experience, which is the bitterest and ICEEM focuses on the third method

# Dean TPO's Desk Message

**Dr. DeepMala Biradar**

  
CAMPUS DIRECTOR  
International Centre of  
Excellence In Engg. & MGMT.  
Aurangabad

**Dear Students,**

“Placement is one of the prominent departments in ICEEM. In today’s competitive environment, Training & Placement department finds a crucial role to achieve industrial requirement and student’s expectation in different verticals which deals with providing placement opportunity to our students in the prominent companies.

Placement Department creates a vibrant momentum in student’s brain for gaining practical understanding and knowledge. We groom & prepare our students for the interviews which are held in campus drives through the activities like aptitude test, GD, PI etc in Campus Recruitment Training. We assure that our student should be groomed in such a way that each one should not look back when they will start their career in industrial field after their formal education gets over.

We have a healthy relationship with recruiters to fulfill the industrial demand through our campus placement activity which usually starts at December of every calendar year and expose our periodically to company talk (HR Talk) so that they will understand the latest industrial demands & challenges.

# Invitation

Greetings from ICEEM College of Engineering and Management, Waluj, Aurangabad!

We take this opportunity to introduce ICEEM. We have successfully established an Institute in vicinity of Waluj industrial area Aurangabad in 2011, we are running four undergraduate streams namely Mechanical Engg., Civil Engg., Electronics & Telecom Engg. And Computer Science Engg. We also have post graduate course in MBA (Specialization: Production & Operations, Marketing, HR, and Finance).

Our aim is to bridge the gap between industry and academia by making our students compatible with the industrial requirements. As all of you know that the recent trends in industry like Industry 4.0, IOT, Robotics and Automation has brought a lot of changes in the industry. As a fresher, the student needs to possess various skills to enter the industry e.g. technical skills, non technical skills, behavioral skills and knowledge of industrial systems.

We request you to identify the skills that you need in a fresher and give us your appointment to discuss in person on these skill set required, so that we can train our students accordingly, these students will be ready to be deployed in your industry at the end of their training.

Looking forward for an early and positive response.

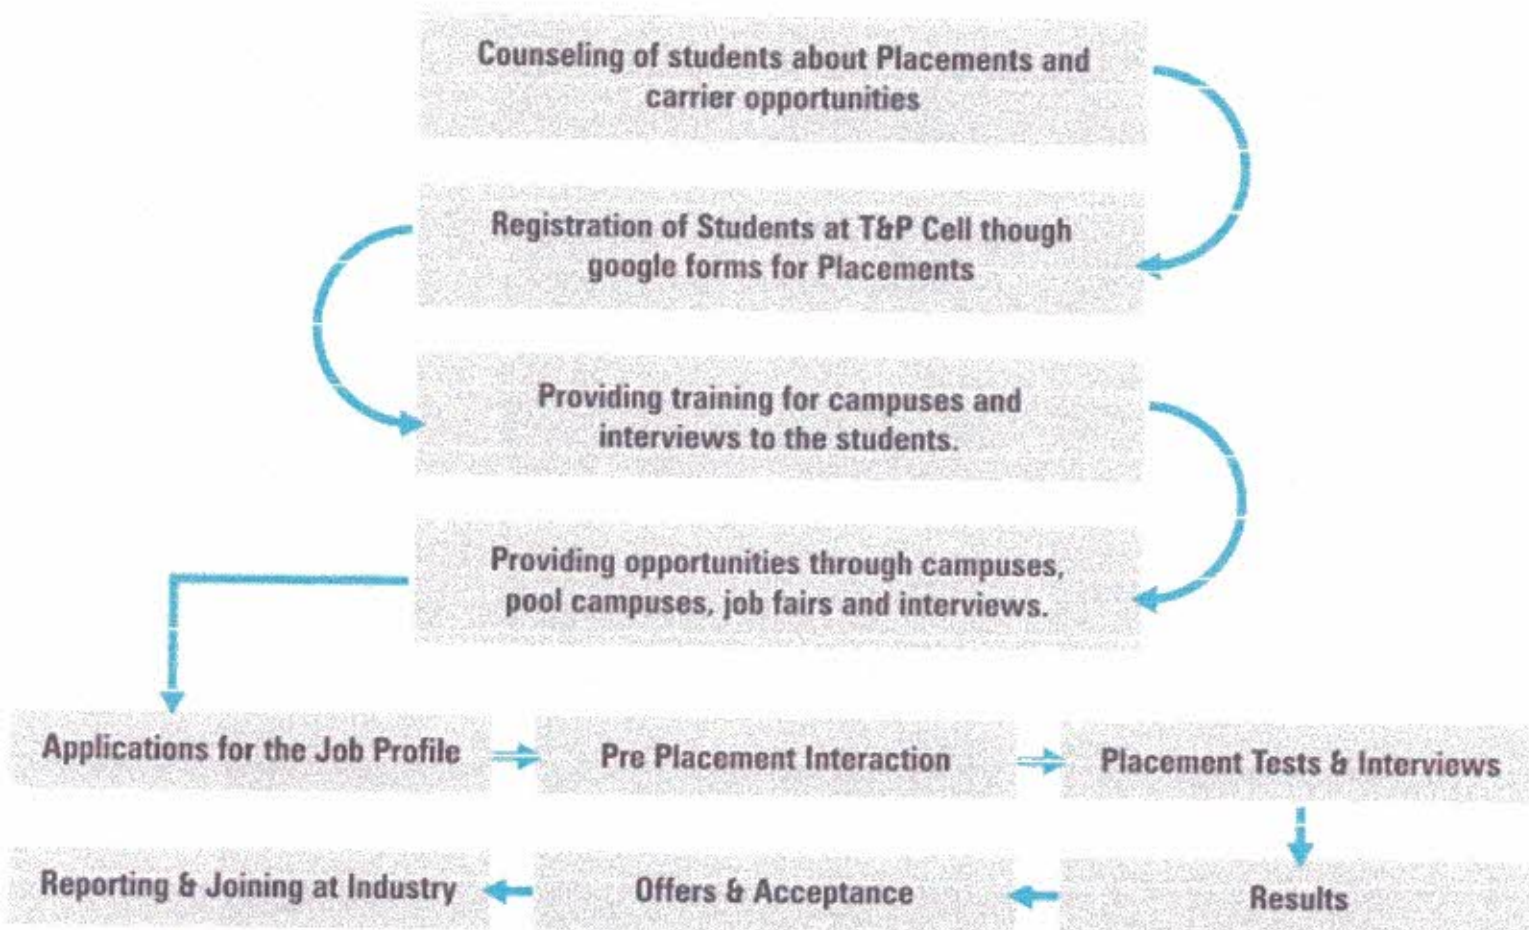

For more details please feel free to contact us or visit our college website [www.iceemabad.com](http://www.iceemabad.com)

## Desk Message

### Prof Y.M Khan

**Dear Students,**

“The Secret of Success is concealed in love with your work”

Training and Placement Cell is an integral part of the institute. The cell facilitates the process of placement of students besides collaborating with leading organizations and institutes in setting up of internship and training program of students.

The cell keeps on inviting various companies and reputed firms for campus recruitment. It modules the engineering grades to young corporals. Apart from providing placements to students the cell also invites Professional Trainers, Entrepreneurs, and Industry people for sharing their expertise. The cell is sensitized to function all through the year towards generating placement and training opportunities for the students. The cell helps the students in every possible way to achieve their endeavors. The institute has signed many MOU's with industries, industrial associations and training institutes for enhancement of student's skills.

  
CAMPUS DIRECTOR  
International Centre of  
Excellence in Engg. & MGMT.  
Aurangabad

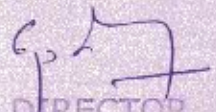

Greetings from ICEEM College of Engineering and Management, Waluj, Aurangabad!

We take this opportunity to introduce ICEEM. We have successfully established an Institute in vicinity of Waluj industrial area Aurangabad in 2011, we are running four undergraduate streams namely Mechanical Engg., Civil Engg., Electronics & Telecom Engg. And Computer Science Engg. We also have post graduate course in MBA (Specialization: Production & Operations, Marketing, HR, and Finance).

Our aim is to bridge the gap between industry and academia by making our students compatible with the industrial requirements. As all of you know that the recent trends in industry like Industry 4.0, IOT, Robotics and Automation has brought a lot of changes in the industry. As a fresher, the student needs to possess various skills to enter the industry e.g. technical skills, non technical skills, behavioral skills and knowledge of industrial systems.

We request you to identify the skills that you need in a fresher and give us your appointment to discuss in person on these skill set required, so that we can train our students accordingly, these students will be ready to be deployed in your industry at the end of their training. Looking forward for an early and positive response.

## Founder Chairman's Message

**Shri. Bhujangrao Kulkarni**

(IAS (Retd.), Former Secretary, Govt. of Maharashtra)

**ICEEM** has made steady progress in the last six years towards its vision of becoming one of the hundred best technical Campuses in India by 2025.

As a part of Student support activities ICEEM has setup during the current year a "Placement, Perfection and Entrepreneurship Development Unit (PPED)" besides many other co-curricular activities.

### For Students

- i) To Provide finger skills and attitudes in demand in the job market.
- ii) To help to seek good Placements through Campus Interviews; and
- iii) To Organise entrepreneurship development activities.

### For Entrepreneurs

- i) To Facilitate Selection of Products, Processes or technologies & MCED workshops.
- ii) To help find Capital resource solutions and assistance of investors and financial companies.

### Welcome to ICEEM where you have

- i) Great teaching leading to great learning with Pleasure.
- ii) Opportunities to develop in the right direction and to achieve your life's ambition.

Let us work together, focus on a common objective of Excellent quality of technical education. I expect everyone of you to do utmost for your own sake, for your family and society. Best Luck !

## From the Director's Desk

**Prof. Dilip Gour**

B.E., M.Tech (IIT Bombay), M.I.R.P.M., F.I.E., LL.B., D.E.P.S.

### Dear Students,

Welcome to the ICEEM Campus. It gives me immense pleasure to welcome you to the world of quality education in Engineering and Management. ICEEM was founded in the year 2011 with the sole motive of providing quality education, and I am glad to share that, ICEEM has successfully completed its half decade with an historical result of 100 percent students passing out in its very first Engineering batch. ICEEM is being looked up as one of the most promising educational institute of B.E and MBA in Marathwada region. Mesmerizing infrastructure & facilities, with a unique student friendly atmosphere enables students to enjoy learning with comfort. Experienced and qualified academicians, well known industrialists and reputed dignitaries who had played vital role in social field are striving hard for perpetual success of ICEEM.

While grooming the students, special care is taken to make them ready to face the challenges of competitive techno Savvy world. Contemporary courses beyond the syllabus are regularly taught in addition to regular curriculum, which sharpens the application knowledge of the students.

Being purposefully located in Waluj Industrial hub, ICEEM has an distinct advantage of having healthy collaboration with reputed industries & corporate world, which is beneficial to our students for placements, on the job training, and research work etc.

ICEEM believes that digitalization of technical education is inevitable. Concept of global network university is knocking our doors, which shall add a new dimension to the education system in the coming days, therefore students of our institute can pursue education under guidance of International Professors of Prestigious Global Universities comprising of Harvard, MIT, Stanford and also expert Professors of Dr.B.A.M.U. University at the same time.

India is steadily marching on the path of economic development and is at a verge of being in top 5 developed economies of the world. Equipped with ample of resources, potential of skilled qualified manpower shall indeed catalyze its exponential growth. Science & Technologies are the core strengths of the nation and the engine of economic development, which will be conducive to generate tremendous demand of Engineers and Managers in coming days.

Students of this great nation are capable and poised to lead the knowledge era. Success is your birth right and energy to achieve success lies within you. We here on this campus are well equipped to make students awaken that sleeping energy and make them better citizens of the society at large.

# INVITATION

Greetings from

**ICEEM College of Engineering and Management,  
Waluj, Aurangabad!**

It is our great privilege to invite companies to visit International Centre of Excellence in Engineering and Management, Aurangabad, the fastest growing Engineering and Management institute in Marathwada region for Campus Placement Recruitment Drives. We are ready to coordinate Pool drive & open campus to invite nearby Engineering Colleges affiliated Dr. B. A. M. University as per company requirements. So we are requesting you to finalize an early date to pick up the best candidates from our region.

We take this opportunity to introduce ICEEM. We successfully exceeded the requirement of establishing an Institute in vicinity of Waluj industrial area Aurangabad, under the Leadership of our Founder Chairman Shri. Bhujangraoji Kulkarni (Rtd. Secretary Govt of India; and the first IAS Officer of Marathwada).

ICEEM (International Centre of Excellence in Engineering and Management) has successfully completed its journey of **8 Years**, and within this short period of time, it is being recognized as Marathwada's fastest developing Engineering and MBA institute.

**ICEEM has been recognized by India Today and World Achievers as the fastest growing engineering and management institute in Aurangabad. Our director Prof. Dilip Gour has been awarded as 'The Best Director' of Engineering and MBA institute in Maharashtra by India Today and World Wide Achievers.**

Our management has attempted to provide world class educational environment with core thrust to Industry and Education interface which is the need of an hour.

ICEEM aims for providing Quality Education in Engineering and Management that nourishes the upcoming Engineers, Entrepreneurs and Managers. ICEEM is Approved by AICTE, New Delhi; Recognized by DTE, (Govt. of Maharashtra) and Affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, (NAAC 'A' Grade).

We are running four undergraduate streams namely Mechanical Engg., Civil Engg., Electronics & Telecom Engg. and Computer Science Engg. We also have post graduate course in MBA (Specialization: Production & Operations, Marketing, HR, and Finance).

We do have all necessary facilities like Seminar Hall, Conference Room, Interview rooms, LCD Projector for arranging Campus placement process.

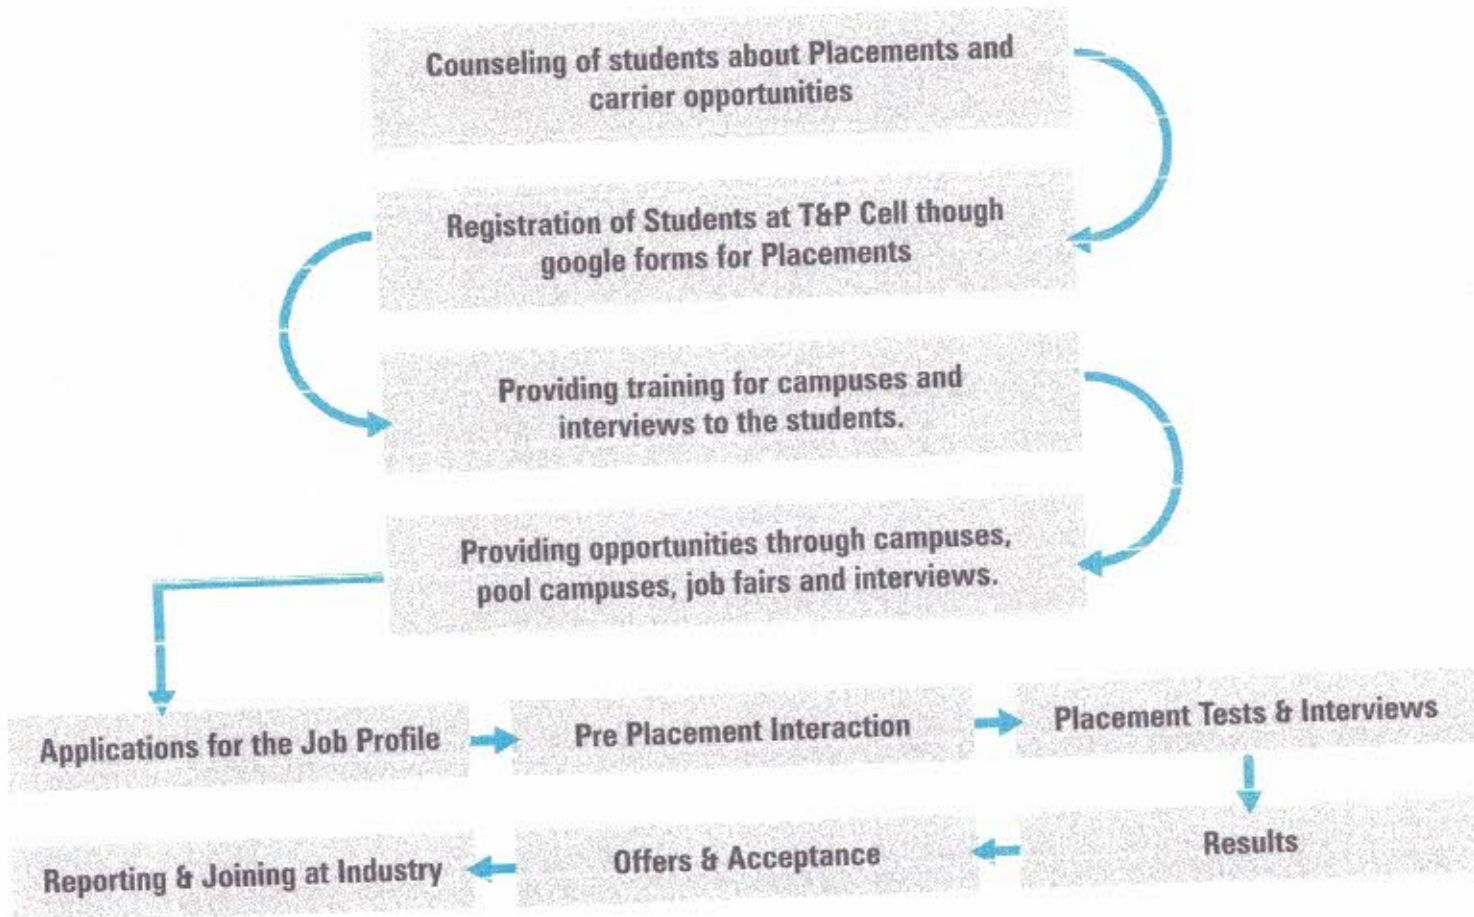

Looking forward for an early and positive response.

BE Mech. 2017 Batch

**Working at Mitsubishi Materials Aurangabad in Make in India Team.**

"It's great to be a student of ICEEM; Here Studies are perfectly balanced with extra-curricular activities to achieve overall development of students. The growth and have seen in myself due to ICEEM is invaluable. It has taught me things far beyond bookish knowledge and helped me broaden my horizons. The environment not only helped me in imbibing knowledge but also developing my Overall personality, fueling confidence in me. A state of an art infrastructure, library resources, and laboratories. My college is the blend of all these. My sincere thanks to all the Faculty members, mentors and everyone in ICEEM family for their support and altruism. I'm carrying along with me beautiful memories of this place and will always cherish them. My experience with this college has been a wonderful balance of knowledge, skills, fun and friendship ICEEM provides education in the true sense of word".

**Mr. Tushar Patil**

BE Mech. 2018 Batch

**Working at Future Supply Chain Nagpur as Junior Engineer**

I am very grateful that I had an opportunity to complete my engineering from ICEEM college.

I have to say that this was a quite a place which helped me to start my career. Also the TPO from my college is very cooperative and helpful they organized many Events camps in our college which helped us in different ways, also whenever there is campus he informed us time to time so that we can grab those opportunities and move further in our life.

Well in last I would like to thank every teacher from my college they are the reason I have a job today in my hand. and I can move further in my life to create more milestones, to grab much bigger opportunities in my career.

**Ms. Tejasvini Mane**

MBA 2014 Batch

**Working as Assistant Manager, at Kotak Mahindra Bank, Aurangabad.**

Everyone can teach lessons that are INSIDE books but only gifted Institutes like Iceem can subtly weave them along with other life-lessons from OUTSIDE the books and Corporate...During my College Days we Learn the World which is full of excellence giving the Society....Noble professionals and Help me to build my skills Which is helping me to Deliver best Service and Happy Customer Experience to my Client's.

**Ms. Madhura Dixit**

BE E&TC 2017 Batch

**Leading Actress in a Marathi web series "It's Ok" Working on upcoming web series "Sid Ki Weed"**

I can say proudly that I am a student of ICEEM. All the faculties are always supportive & rich in technical knowledge. Lot of extra-curricular activities such as cultural events, sports, technical competitions etc are always organized by the department, which help us in flourishing our interests.

**Ms. Gavhane Priyanka**

BE E&TC 2017 Batch

**Secured 3<sup>rd</sup> Rank in Dr. Babasaheb Ambedkar Marathwada University, Aurangabad.**

**Working as Junior Engineer at EC Mobility.**

All the faculty members of Electronics department are experienced which makes teaching & learning very effective & efficient. Students get lots of exposure through the technical events, expert lectures, Industrial visits and workshops conducted in the department which boosts our confidence & skills.
