## Sports Report

Like every year, this year also the ICEEM College has organized their annual sports day with grand splendour. On the 10<sup>th</sup> & 11<sup>th</sup> of June, the annual sports day was scheduled in the field of ICEEM college like any other year.

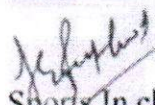

Students were instructed to be present on the school premises on or before 9 am. in the morning. From there all the teachers and students went together to the organized sports field. Several common games like Cricket, Kabbadi, Chess, and Carom etc were on the list of scheduled competitions.

As almost every student of the school participated in sports, the whole competition went longer than in other years. In every game, there were 4 sets of batches and in each batch 15 students took part. It was almost 3 pm when the whole competition process came to an end.

Thereafter the final result and names of awardees were announced by the event incharge. This year the Mr. Ram Dahiphale joint director industrial safety & health, Aurangabad was present as a chief guest.

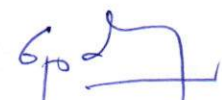

After the event incharge announced the final result, the chief guest was invited to come on stage and hand over the awards to the winners.

After award distribution, the honourable Mr. Ram Dahiphale joint director industrial safety & health, Aurangabad delivered a short speech to students explaining the significance of sports in students' life. Thus a joyful day came to an end and everyone returned with a heart full of memories.

Sport activity celebrated on 18 feb 2022 in ICEEM campus on that day, the atmosphere of college took festive look .A great interest was observed among the stuents and staff members.

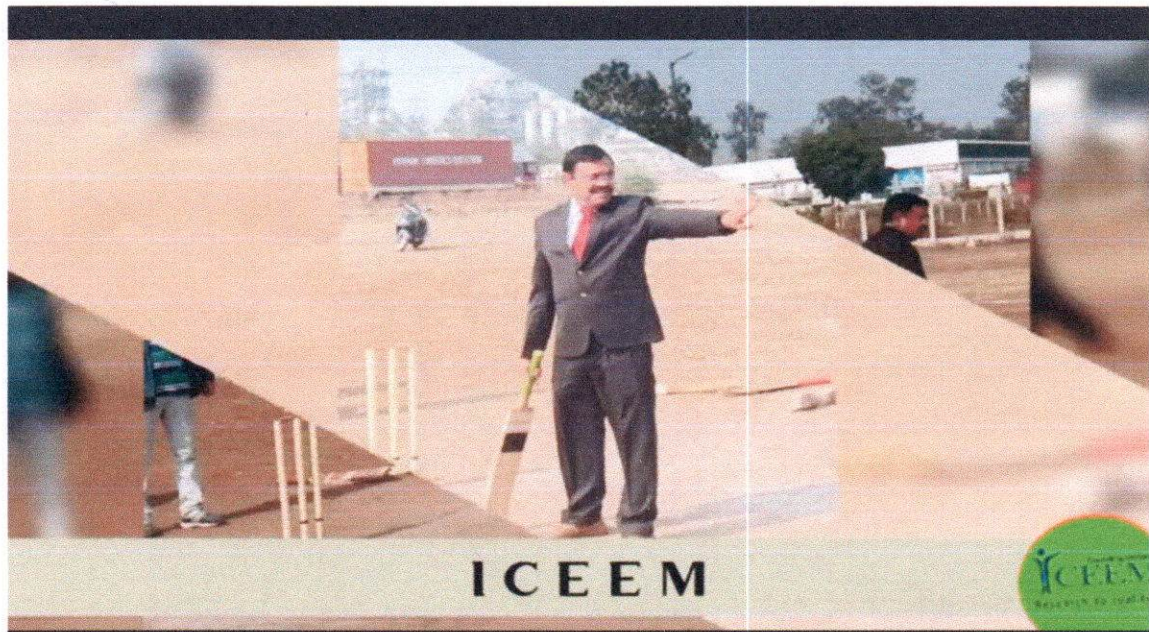

The program started with Chief Guest Mr Balaji Shinde encouraged the students with his vibrating Speech, Our honorable Campus director Dr.C.S.Padmavat, Secretary Dr.Subhash zawar, Our beloved Vice principal H.L.Jadhav welcomed the gathering with his speech.

Physical Education is an integral part of the total education system. It helps in the attainment of the ultimate aim of education i.e. the achievement of holistic development. Games and Sports play a vital role in the student's life. A student should study hard to be successful in competitive examinations. But, he should also play games and sports to enjoy the health and vigor of life. Along with bookish learning, a student should spend his time on games and sports also. Either study or work alone makes us exhaust. We remain no longer efficient to do any work. Sports remove our mental exhaustion. Education without sports is incomplete. ICEEM It strives to excel at all levels and bring laurels to the college. With the help of college faculty we are continuously improving in sports field. Considering the concept of "SPORTS FOR ALL" throughout the entire session we organized Inter-department tournaments for students as well as some sports activities for staff (teaching and non-teaching). It is one of the largest co-curricular activity programs that offer an extensive opportunity to all the students and staff. This venture shall enable the students and staff to have fun, learn new sports, enhance social interaction and tests one's physical capability. These competition also offer a break from the daily routine tasks and recreate or re-energetic them.
