Flyer of CFD Webinar

The flyer features the ICEEM logo at the top left with the tagline "Expanding Horizon" and "Research to reality...". The main text reads "International Centre of Excellence in Engineering & Management, Aurangabad". Below this, it says "Invites you for a webinar on COMPUTATIONAL FLUID DYNAMICS (CFD) AND IT'S APPLICATION IN INDUSTRY". A circular portrait of Mr. Akshansh Kataria is shown, with his name and title "R&D Head, Ecosense Appliances Pvt. Ltd." below it. The date and time "13th July 2021 : 11.30 am to 1:00 pm" are listed, along with a registration link: <https://chat.whatsapp.com/JBKsVvKtke57j48EFPV9ta>. The organizing department is "Mechanical Engg. Department" and contact information is provided: "Contact Us: hodmech@iceemabad.com, 9404573098 | 9823944451".

Group Message

The screenshot shows a WhatsApp group chat titled "ICEEM family All" with members "Adik Amol Icm, Basith, Bhaskar, Dhakn...". A forwarded message from "Janjal" is visible, containing the same webinar details as the flyer. The message includes the date "13th July 2021", time "11:30 am to 01:00 pm", registration link <https://forms.gle/5Zhu5HK5cZTTiGax9>, and WhatsApp group link <https://chat.whatsapp.com/JBKsVvKtke57j48EFPV9ta>. It also states that registration is compulsory and provides contact information for the Mechanical Engineering Department. A follow-up message at the bottom says "All are requested to register for tomorrow's webinar on CFD".

An online webinar on the Significance & Importance of Yoga in Pandemic Situation was arranged on 24th April, 2021 at 7:00 am using Google Meet. The webinar was attended by both faculty members and students. Dr. Uttam Kalwane (Yoga Trainer of International repute), gave training on Yoga Asanas, Pranayam and various other Stress Management techniques. He along with his team from Bharatiya Yoga Sansthan, trained us all on that day. Dr. C. S. Padmawat delivered the keynote address by stressing the importance of Yoga and Pranayam during this COVID-19 situation.

Dr. Kalwane started by introducing his team members from Bharatiya Yoga Sansthan. He told that during this pandemic of COVID-19, it is very much necessary to develop our immune system so as to protect ourselves from the attack of CORONAVIRUS. He also stressed upon the fact that we need not to fear with the attack of this virus but we all need to strengthen our immune power so as to fight against this deadly disease. For that, we all need to do certain Yoga asanas and Pranayam on daily basis. He also explained that this deadly virus enters into our body either through nose, mouth or through our eyes and thereby attack our lungs, weakening our respiratory system. So there is a greater need to improve the capacity of our lungs during this pandemic situation. And for that we need to do certain yoga asanas and pranayam related exercises.

Sir, started giving training with various yoga postures like Tadaasan, Ardhaachakrasan, Bhujangasan, Chakrasan, etc. He deliberated the importance of doing these asanas daily, due to which the capacity of our lungs will increase and will provide better resistance against COVID-19 virus. He and his team members then performed various pranayam like

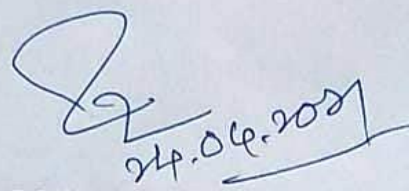

COVID-19 virus. He and his team members then performed various pranayam like anulom, vilomb, kapal-bhati, bhasrika, ujjayee, etc for increasing the quality and quantity of air in our body. He stated that these yogasanas will keep us active and energetic during the entire day. Next, they performed various stress reducing techniques like dhyana, chanting of powerful mantra like OM and GAYATRI mantra. Not only this, he and his team members did laughter therapy for relaxing the mind and our body.

Finally Dr. Kalwane performed nauli kriya to demonstrate how to open the blocked nostrils. He lastly explained the importance of nutritional food in our daily lifestyle and how it helps our body to build a capable defense system against the attack of any bacteria and virus. He stressed upon the need to include certain herbs like Tulsi, Ginger, etc in our daily diet and also to drink green tea on regular basis.

The session ended with Prof. Ms. Archana Kunte delivering the vote of thanks.
